

NUTRITION & FOOD SYSTEMS MINOR

REQUIRED CORE COURSES

Intro to Human Nutrition

NSC 101 (3)_____or NSC 170C1*(3) _____

Intro to Critical Food Studies

FOOD 101 (3)_____

Intro to Food Systems

FOOD 102 (3)_____

The minor requires 18 units. You are required to complete 9 core courses. You must select 3 units of elective credit from each category, for a total of 9 elective units.

*Per the gen-ed policy, NSC 170C1 is only able to satisfy one requirement (Tier I Nats or NSC Minor course). If you choose to use NSC 170C1 towards your Tier I NATS requirements, you will need to take another nutrition elective in its place to reach the required minor units.
