**Experiential Learning Information**

These descriptions are meant to serve as guidelines. It will be up to the student and project advisor to determine which option best describes the proposed activities.

| Preceptorship | 391 & Honors | (Credit varies) Specified work on an individual basis, consisting of instruction and practice in actual service in a department, program, or discipline. Teaching formats may include seminars, in-depth studies, laboratory work and patient study. | Alternative grades |
| Direct Research | 392 | (1-6 units) Individual or small group research under the guidance of faculty. This option is more structured and goal oriented than research under independent study. | Regular grades |
| Internship | 393 & Honors | (Credit varies) Specialized work on an individual basis, consisting of training and practice in actual service in a technical, business, or governmental establishment. | Alternative grades |
| Independent Study | 399 & Honors | (Credit varies) Qualified students working on an individual basis with professors who have agreed to supervise such work. | Alternative grades |

**Important Information**

- **Determination of Credit:** The University and Board of Regents require a minimum of 45 hours course work for each unit of credit awarded.
- **The Number of Credits:** Number of credits requested must lie within the approved credit range listed in the catalog course description.
- **The Registration Fee:** Fees are calculated at the same rate as for other courses.
- **The Proposal:** The student should have a specific proposal in mind when requesting Experiential Learning credits.
- **The Content:** The content of experiential learning must not significantly duplicate material offered in a regularly scheduled course in the department in the current semester, except with the College Dean’s approval.
- **Registration:** The last day to register for experiential learning credits without incurring a late charge is: a) the 21st calendar day after the first day of classes for fall and spring semesters (last day to increase units without a $250 late charge; b) the last day to drop with deletion from the record for winter and summer sessions (last day to increase units without a $50 late charge).
- **Incompletes:** In the case that a grade of ‘I’ is awarded in an experiential learning course, and the project advisor is no longer available, another project advisor must be identified who agrees to evaluate the student’s work.
